-  The long muddy aisles of this spot serves a therapeutic trail and raw vibes. Along with thrilling adventures of Kayaking, Swimming, Trekking or more, you can also enjoy the warmth of a bonfire with soothing live music.
-  With the best service, we welcome you 'On The Bank' with your buddies.

Mind Behind otb

- Adil Shaikh and Gopi Gupta, who established AG Events and are continuing to excel, are the men behind OTB.
- These young minds, in their 20s, came across a raw land where nature grew in abundance and decided to grace it with your presence.
- The team of AG Events has made huge efforts to turn this land into a beautiful campsite. Being a piece of the majestic nature by the lake, we're proud to call it 'On The Bank'.
- With the aim to reconnect people to nature and let slip the hustling-bustling cities for a while, we welcome you On The Bank.
